

# FRD CHINA LMP3 GUIDE

eurasia

## FRD LMP3 Championship

---

New for 2017 the FRD LMP3 Championship is a new concept organized by experienced Chinese promotor, FRD, and approved by the ACO, the organizer of the Le Mans 24 Hours and the World Endurance Championship.

- All cars are Ligier Nissan JSP3 cars
- Eight two car teams will enter the series
- Four events in China, one in Malaysia

### 2017 Race Schedule

May 14	Shanghai International Circuit, China
June 6	Zhejiang Circuit, China
July 23	Sepang International Circuit, Malaysia
August 27	Shanghai International Circuit, China
September 17	Zhuhai Circuit, China

- Each car must have one Chinese driver, silver graded or lower plus one International driver, gold graded or lower
- One hour Sprint races with compulsory pit stop
- ACO scrutineer
- Controlled tyres and fuel.

## Media and Promotion

- CCTV 5 Nationwide coverage in China with ten minute highlight “free to air” program after each event
- Chinese social media such as Weibo, sportsqq, youku, wechat
- Other social media including facebook and YouTube
- Eurasia Motorsport website, facebook and twitter coverage provided by BAM Promotions
- International Standard On track hospitality provided

## Ligier JSP3

---

- Coupe with carbon moncoque
- Nissan VK50 V8 5 Litre 420 hp engine
- Marelli engine management, Cosworth steering wheel and data logging
- Xtrac 6 speed semi automatic paddle shift gearbox
- Brembo brake system, 6 pot calipers with steel discs
- Double wishbone puhrod system
- Three-way dampers with third element front and rear
- Aerodynamics developed with CFD
- Plenty of advertising space

## Eurasia Motorsport

---

- Eurasia Motorsport is one of the most experienced and successful teams in the region
- We managed and ran the championship winning Ligier LMP3 cars in the 2015-16 Asian Le Mans Series and the 2016 Asian Le Mans Sprint Cup
- Fantastic record in developing drivers, graduates currently racing and winning in F1, GP2, GT and WEC.
- Current Le Mans 24H and European Le Mans experience. We are the most experienced LMP team in the region.
- Drivers can graduate with the team to Asian Le Mans LMP3 and LMP2 and on to Le Mans and WEC
- Decades of experience racing in China and South East Asia

## The Cost

---

- The cost for the season of five events is Euro (contact us for details) per driver all inclusive except for insurance premium
- Two drivers sharing the car
- Arrive and drive
- Large advertising space provided to each driver on the car

## Testing

---

- Testing is available at Sepang Circuit in Malaysia.
- Next dates are February 13-15 2017
- Cost per day for a car is Euro 15,000 including one set of new tyres. Insurance not included, dependent on the driver's record
- Sepang will announce more test dates for March and April soon
