2025 F4 South East Asia certified by FIA Championship

The F4 SEA Certified by FIA Championship returns courtesy of TopSpeed who also organize the F4 Middle East Championships. Both run the Gen 2 Tatuus chassis powered by the FIAT Abarth turbo engine. This combination is utilized in the majority of F4 Championships worldwide. Begins in May and ends in September. Great way to gain experience in F4 with the bonus of FIA Super License points on offer. Download our guide for more details.

2025 TCR Asia Series

A six event championship with two events each at Sepang in Malaysia, Buriram in Thailand and Inje in Korea. Eurasia is entering two Hyundai Elantra N cars with one car already filled leaving one seat available. Download our guide for more details.

2025 Lamborghini Super Trofeo Asia

Best value International GT racing anywhere with GT3 performance at half the price. Six events starting at Sydney, Australia in May and ending in November at the Lamborghini World Finals at Misano Italy via Shanghai, Fuji, Inje and Sepang. Download our guide for more details.
