2026 F4 SEA certified by FIA Championship

Five events in Malaysia and Thailand offer a great value for money introduction to FIA F4. As of now, due to the Middle East conflict, the first event will now be on June 26-28 at Sepang. Contact us for latest details.

2026 F4 Chinese certified by FIA Championship

One off drives or the balance of the six event season available. Great value with 4 races per event plus lots of test, practice and qualifying track time. Cost effective way to obtain F4 track time in 2026. Testing available at the Zhuhai International Circuit in China. Contact us to arrange a test.

2026 TCR

Join the four World Tour Events at Inje in Korea, Chengdu and Zhuzhou in China plus Macau in our Hyundai Elantra TCR. The most cost effective way to be on a World Series grid racing against some of the top touring car drivers.

2026-2027 Asian Le Mans Series

Watch out for the release of our plans for the Asian Le Mans Series. The ACO should release dates and details soon.

2026 – 2027 International Sports Car Series

Details will be released soon for a cost effective LMP series held in 2026-27 for LMP3 style cars
